Gain the academic, language, study and social skills you need to succeed at the University of Aberdeen and in your future career.

**UNIVERSITY PREPARATION**
Our pathway programmes, designed especially for international students, will prepare you for a Bachelors or Masters degree in a range of subject areas. With us, you can build your subject knowledge, while also improving your English language skills in a supportive specialist environment. The International Study Centre is based within the Regent Building on campus, allowing you to become a part of university life from day one.

Your learnings and student experience at the International Study Centre, and once you progress to the University of Aberdeen, will help you to become a well-rounded individual ready to face the future.

**EXCEPTIONAL SUPPORT**
When you join us at the International Study Centre, you will be welcomed into the Aberdeen Family – a friendly and supportive network of staff and students. Our team at the International Study Centre can help you with any problems you may have.

You will learn from our experienced tutors, who are experts in preparing international students for university. We will monitor your progress through regular assessments and support sessions, making sure you’re on the right track to progress to your degree. By the end of your programme, you will feel confident about joining the University.

91% of International Study Centre students who completed their course were offered a place to study at the University of Aberdeen in 2021.
UNIVERSITY FACILITIES
The University boasts impressive facilities inside and outside the classroom.

The University is based across two campuses, Europe’s largest health campus Foresterhill, and Old Aberdeen, where you can find the International Study Centre and the award-winning Sir Duncan Rice Library.

Wherever you go, at Aberdeen, you can see the result of multimillion pound investments.

The Aberdeen Sports Village, based on the University’s campus, means that you can keep up your physical health while you study with us.

LOCATION
Aberdeen is a historical city on the north-east coast of Scotland. Known for its unique culture and distinct granite buildings, there is plenty to see and do while you are a student here.

You could explore the special nearby natural beauty – and you can occasionally even see the Northern Lights. Water sports, beach trips, hikes by local lochs and skiing are all doable in and around Aberdeen.

As a student in Aberdeen, you can experience famous traditional Scottish culture, with opportunities to explore the UK – London Heathrow is only a 1 hour and 30 minute flight away.

ACCOMMODATION
We offer student accommodation in partnership with Mezzino at Trinity Court.

Located less than a fifteen-minute walk from the International Study Centre, you will be surrounded by everything you’ll need while you study and live in Aberdeen.

Your halls will have plenty of benefits, such as shared living area with private laundry facilities, communal student lounge with projector, high speed Wi-Fi, and on-site staff available 24/7.

If you are younger than 18 at the start of your programme, you will automatically be allocated a room.

If you choose to do this, it is important that you let us know where you are staying.
UNDERGRADUATE FOUNDATION PROGRAMME

A pathway to the second year* of a four-year undergraduate degree at the University of Aberdeen.

Across three terms, you’ll develop the subject-specific knowledge and English language skills you need for success at the University.

You have four pathways to choose from, depending on your intended progression degree:

- Business, Economics, Accounting and Real Estate
- Humanities, Law and Social Science
- Life Sciences
- Physical Sciences and Engineering

PROGRESSION DEGREES^*

Once you complete your pathway programme and achieve the required grades, you can start the second year* of your undergraduate degree at the University. Choose from over 150 progression degrees, including:

BUSINESS, ECONOMICS, ACCOUNTING AND REAL ESTATE
- Accountancy and Business Management MA
- Accountancy and Finance MA
- Business Management MA
- Economics MA
- Finance and Business Management MA

HUMANITIES, LAW AND SOCIAL SCIENCE
- English MA
- International Relations and Legal Studies MA
- Law LLB
- Philosophy and Psychology MA
- Politics and International Relation MA

LIFE SCIENCES
- Biological Sciences BSc
- Environmental Science BSc
- Genetics BSc
- Pharmacology BSc
- Psychology BSc

PHYSICAL SCIENCES AND ENGINEERING
- Chemical Engineering BEng
- Civil Engineering BEng
- Computing Science BSc
- Mechanical Engineering BEng
- Petroleum Engineering BEng

* With exception of the LLB programmes which offer first year entry only.

† For our Life Sciences pathway, you will also need to have studied Chemistry and one other Science or Maths subject. For the Physical Sciences and Engineering pathway, Maths and/or Physics may also be required.

^ There is a wide range of progression degrees available. Some degrees may have further conditions for entry and progression.

UNDERGRADUATE FOUNDATION PROGRAMME IN LIFE SCIENCES — PATHWAY TO MEDICINE

This programme is designed to prepare you for a medicine degree at the University of Aberdeen†.

Once you complete your pathway programme and follow a highly-competitive selection process*, you will then begin the first year of a five-year Medicine MBChB at the University.

KEY FACTS
Programme length: 3 terms
Entry dates: October
Entry requirements:
Academic: Good high school graduation grades (including Chemistry plus two other sciences from either Biology, Maths or Physics)
English language: Academic IELTS for UKVI 6.0 (6.0 in all skills)
Age: 17+

PROGRESSION DEGREES
Medicine MBChB

† Each year there are up to 20 places available for this programme at the International Study Centre. Offers will be made on a first-come-first-served basis, subject to you meeting the English language requirements and being on track with your predicted grades/school report to meet the academic entry requirements.

* Due to the popularity of the MBChB degree, progression is competitively awarded and is dependent on achieving the required academic and English grades, as well as performance in the online University Clinical Aptitude Test (UCAT) and at multiple mini-interviews. You will also be required to write a personal statement as part of the application, as well as submit an academic reference from your Personal Academic Tutor. If you do not gain a place following the selection process, you will be able to select an alternative degree in the area of Life Sciences (subject to achieving the required grades).

INTERNATIONAL YEAR TWO

This programme provides an accelerated route to the third year of a four-year undergraduate degree at the University of Aberdeen.

You will join the second year of your degree at the International Study Centre. By completing this three-term programme and achieving the required grades, you are able to transition to the third year of your degree at the University.

You can choose from two pathways, depending on your intended progression degree:
• Business Management and Finance
• Computing Science

KEY FACTS
Programme length: 3 terms
Entry dates: October or January
Entry requirements:
Academic: Good high school graduation grades or equivalent plus one year of further study*
English language: Academic IELTS for UKVI 5.5 (minimum 5.5 in all skills)*
Age: 17+

PROGRESSION DEGREES
BUSINESS MANAGEMENT AND FINANCE
Business Management MA
Business Management and Finance MA
Business Management and Politics MA
Finance MA

COMPUTING SCIENCE
Computing Science BSc
Computing MA

* For the Computing Science pathway, further study must include Maths or Computing Science.

* Alternatives to Academic IELTS for UKVI accepted as proof of your English language level.

For full details please visit aberdeen-isc.ac.uk/programmes/ug/international-year-two
PRE-MASTERS PROGRAMME

A fast-track, twelve-week programme designed to prepare you for postgraduate study at the University of Aberdeen.

Our Pre-Masters Programme deepens your academic knowledge and improves your English language skills through university-style tuition. You’ll also improve your career skills, gain international experience, and develop practical tools for professional success.

You can choose from two pathways, depending on your intended progression degree:

- **Business and Law**
- **Science and Engineering**

### COMBINED VISA

Save time and money, and experience a seamless transition to graduate success by studying the International Year Two or Pre-Masters Programme and your University degree with one visa.

Doing this means you will benefit from the following:

- **Just one visa required** for the whole length of your study
- **Alternatives to Academic IELTS for UKVI** can be used to join the pathway programme
- **Work up to 20 hours per week**
- **No visa requirement to return home** between the courses.

Benefit from...

### ENGLISH LANGUAGE PREPARATION

If you need to improve your English language level before starting the Pre-Masters Programme, you can first join our English language preparation programme. This course is designed to raise your IELTS to the required level. After successful completion of the course, you can join your Pre-Masters Programme.
How to apply
If you would like to apply to study at the University of Aberdeen International Study Centre, you will need to complete an application form and submit the relevant documentation.

You can apply through your local education agent. Alternatively you can apply directly via our website and one of our dedicated Student Enrolment Advisors will be happy to provide support through every step of the application process.

For full information on how to apply, fees, entry requirements and more, visit aberdeen-isc.ac.uk/admissions/apply

The International Study Centre programmes are provided by Study Group in collaboration with University of Aberdeen.
